

## **Shrishti: The Eco Club of Zakir Husain College (Morning)**

Shrishti, a proactive Eco Club of Zakir Husain (Morning) College and has done a lot of work for nature preservation and awareness. This society organises regular Nukkad Natak, Quizzes and other awareness campaigns. Shrishti does not conduct any big events like an annual fest or so and instead try to conduct recurring and regular activities through the year

### **Key Projects**

- The Eco Club of Zakir Husain last year collaborated with Environment Federation of India for cleaning Yamuna and habitat restoration project.
- Last year an Inter-College paper reading competition on Consumerism and sustainable development.
- Shrishti also collaborated with different DU colleges like Hansraj and SRCC to take an initiative for cleaning and habitat restoration. Under this drive a group of 15-20 students collaborates with EDMC and other governmental institutions for assistance and equipment for cleaning the area. After cleaning the area, they plant trees there and draw paintings and graffiti on the wall for awareness.
- Zakir Husain College had collaborated with Gandhi study circle to promote cloth bags and sell cloth bags in college premises.

### **Other initiatives:**

- Nukkad Natak, quizzes, awareness campaigns. Big events like fests are not organised as they are believed to dissipate the efforts and are considered inconsistent.
- A workshop is conducted yearly by Zakir Hussain College for recycling paper. A thick mesh is made out of all the waste papers which are collected in the duration of the complete year in the college and is used to make paper bags.
- Waste segregation is properly done in the College and checked by the members of the Eco-Club. Waste is categorised as “food waste, recycle waste and E-waste”

- Composting pits are used for degradation of organic waste like fallen leaves and canteen waste which is afterward used by the Botany Department.
- A bulletin board is maintained by the Eco Club which is decorated with large number of articles and pictures related to environment topics.
